

On Target

ADELAIDE ARCHERY CLUB NEWSLETTER

DECEMBER 2023 Page 1

At the Christmas Break-up we shot at some very novel targets dreamt up by tournament director Carol Ashlee

Brendan hit the noodle arch not once but twice!

This was complicated by not knowing how each target would be scored until after we had shot (and we suspect that not a little cheating went on....)

FROM AJAD JUNIOR COORDINATOR, STANO

AJADs has been done for another year. Despite the horrible conditions in summer with rain, we had over 30 shooters turn out for the final fun shoot and awards barbecue in what can only be called terrible conditions. It was fantastic to see so many juniors being eligible for awards and trophies.

Special thanks to **Ryan Abbas** for the photos, and to everyone else who were involved. I could not have made AJADS as successful as it is without everyone's help.

BIG congratulations go to **Matilda "Tilly" Sims** (below left) for winning the Errol Scott Award for Excellence (AJADs archer of the year).

Special thanks must also go to our sponsors who continue to provide prizes and incentives:

Steve Hann, Archery Supplies and Fairuz Azli, Sherridan's Accountants;

And to the coaches who turn up every week (right).

A big thank you to you all.

The novelty shoot was followed by the GREAT ARROW THROW, hotly contested in a number of categories. Everyone then enjoyed the barbecue lunch laid on by **Social Coordinator Louis des Landes**, including a large selection of delicious salads and desserts brought by those present.

Paul Bergin was the lucky winner of the hamper, and the stocking was taken home by **Pam Pettman**.
